### SECTION 01:02 – INTRODUCTION

The purpose of the Region 2 Awards Program is to recognize the Members, Chapters, Marines, and staff of Region 2 for their activities, involvement, and support within Region 2 and STARFLEET. Hopefully, this recognition will help spawn a new level of interest and interactivity between the Region's members and chapters. Only the winners of the Region's awards can be submitted to STARFLEET for the international level awards.

As in any major program, guidelines must be established concerning how the program will be set up, run and managed. It is with this in mind that this Starfleet Region Two Joint Services Awards Program Manual has been created for your information and guidance. Please feel free to submit your ideas, suggestions, comments, corrections and recommendations to the Chief of Awards at [awards@region2.org](mailto:awards@region2.org).

## **Section 02 – STARFLEET INTERNATIONAL AWARDS PROGRAM**

### **Section 02:01 – STARFLEET INTERNATIONAL ANNUAL AWARDS**

Each Region may submit ONE nominee per category, per year. If you would like to nominate a member or chapter from your region for one of the award categories below, first submit the nomination to your Regional Coordinator or Regional Chief of Awards before your regional deadline. Then each Region submits their nomination(s) either via their Regional Coordinator or an authorized representative. Nominations for the International Annual Awards are accepted from **April 1 through May 15** of each calendar year and announced at the STARFLEET International Conference.

### **Section 02:02 - ELIGIBILITY**

Age Limitation: Members ages 16 and younger for the majority of the calendar year may be nominated for Junior Member of the Year only. They are not eligible for other individual award categories.

### **Section 02:03 – NOMINATION PROCEDURES (Starfleet Awards)**

SFI regulations state that you must enter and win on a Regional level for the corresponding award **BEFORE** you can be considered for the Starfleet Award. Please note some awards can be submitted directly to Fleet by the chapter. These Awards are the Overseas Coupon Project (OCP) and Newsletter Competition. All others must go through the Region first and the region winners forwarded to fleet. This is usually done by the Region Coordinator, Vice Regional Coordinator or their designated representative (the Region's Chief of Awards).

- Newsletter nominations (each issue) must be sent to the R2 Chief of Awards, the R2 Chief of Communications, RC and the Vice RC as they are published throughout the year. The email address [newsletters@region2.org](mailto:newsletters@region2.org) will deliver your submission to the required R2 Staff members. You may **NOT** submit them in bulk at the end of the year.
- Any web site linked off the Region 2 web site or any chapter web site will automatically be nominated for judging in the region web awards, so ensure the links are correct and current. If not, contact the Chief of Communication before December 31st so corrections to the site can be made prior to judging.

## **Section 02:07 – OVERSEAS COUPON PROJECT (OCP)**

Overseas American military personnel and their families often have a difficult time living in a foreign country and trying to make ends meet on the military salary. Even buying food on the military base becomes expensive if the military person has a family to support. The USS JURASSIC helps out by collecting manufacturer's coupons and mailing them to the STARFLEET Overseas Coupon Project Coordinator, who then mails them to military bases. The base puts these coupons in a bin in the front of the military store and they can be used by all military personnel and their families. All JURASSIC members are asked to clip coupons from newspapers and magazines and mail them to the JURASSIC Coupon Coordinator. Coupons should be mailed as soon as possible. Although coupons can be used overseas for up to six months after their expiration date, please allow for time to mail them to the base. The position of Overseas Coupon Project Manager is currently held by Annette Wood so start sending coupons to her. The coupons have to be grocery store-type coupons, no coupons to specific restaurants or stores such as Chuck E Cheese, Walmart, etc. Please cut the coupons out and sort them in order by price (you can include the ones that says "free"). Mail the coupons to Annette in a plastic baggie and include a note with your name, department and total cost of coupons. Her address is On the USS Jurassic web site or email her at [annettewood@oh.rr.com](mailto:annettewood@oh.rr.com). Duties include collecting manufactures coupons from newspapers, magazines, etc. – and from other members of the JURASSIC and sending these coupons to the STARFLEET coupon director, or to the assigned military base.

The following three awards are a creation from an individual "recruiting" award that was subject to varying degrees of subjectivity and controversy. As such, there remains 1 judge subjective award and now includes 2 objective ship "membership number" awards. All 3 of these awards still require a nomination from a ship or member, however, as the Awards committee anticipates that only those ships that find themselves to be in the running will nominate themselves and the committee will follow up with a certification effort.

### **RECRUITMENT AWARD**

## **Section 03:07 – OPERATIONAL GUIDELINES**

1. Duties & responsibilities stipulated in this Program will govern the conduct and provide operational criteria and guidelines for each member of this Committee so everyone will know precisely what is expected of them.
2. Members of the Judging Committee will abstain from voting on those awards where they, their chapter, or any member of their chapter are nominated in order to prevent favoritism and a conflict of interest. Other members of the Awards Committee may be asked to judge those categories. Should all the judges be ineligible, then the Region Chief of Communications or Chief of Summit will judge those awards. This will allow the judges and their chapters to be able to participate & not be excluded from the competition.
3. COs & XO's must provide their chapter/member nominations in to the appropriate judges (via online submission) no later than the January 31st deadline. The Marine OIC has until Feb. 18th to provide the number of Marine Awards to be issued to the Chief of Awards. All Judges must provide their decisions to the Chief of Awards by February 18 of the judging year. This will allow enough time for the awards to be printed and mounted and agendas prepared.
4. Winners will be announced each year at the Region Summit. Those winners unable to attend the Summit may have a representative from their chapter (usually their COs) or someone from another chapter willing to accept it on their behalf or they may have it mailed to them if no one is available to accept it for them.
5. Should it be proven that any member of the Awards Committee is showing favoritism in these nominations, the matter will be sent directly to the Chief of Awards and RC for action in accordance with Regional policy and program directives. It will be discussed and corrective measures taken in accordance with Region and program policy.
6. There will be certificates and plaques issued as awards to the winners.

7. Should an award be contested after it has been announced, the Chief of Awards will review the disputed award with the others being nominated in their respective categories. The Chief of Award's decision after this review shall be final.
8. It is recommended that all COs and XO's retain a copy of their nomination forms in the event they become lost and need to be resent.
9. Awards will be judged on activities occurring during the period from January 1<sup>st</sup> to December 31<sup>st</sup> for the previous year. Activities prior to or subsequent to this period will not be considered and should not be listed on the nomination form.
10. This Regional Awards Program now complies with all Fleet award criteria for the appropriate awards. This includes online submissions to Fleet and Region. Where a conflict occurs with an award, Fleet Awards Guidelines trump Region awards guidelines if the award in question is a fleet issued Annual or Individual award.
11. The Chief of Awards, Vice Regional Coordinator or Regional Coordinator will forward copies of the Region 2 winning nominations to the Starfleet Awards Program Director for consideration in the Fleet Award Program in accordance with Fleet Award guidelines.

### **Section 03:08 – CONTESTING AN AWARD**

If a nominated Unit, chapter, shuttle, station or individual feels they should have received an award that was bestowed on someone else, they should contact the Chief of Awards with a written letter / email message of their reasons and grievances as soon as possible but no later than two weeks following announcement of the award. The Chief of Awards will then review all nomination forms for the disputed award and will determine whether to uphold or overturn the selection. The Chief of Awards will then provide a decision based on their findings and their decision will be considered final.

### **Section 03:09 – DISPOSITION OF MATERIAL**

All material submitted by a Unit, chapter, shuttle, station or individual through the mail or by email will be disposed of thirty (30) days after the award has been issued. It is suggested that a copy of the forms be kept as part of the records and files of the Unit, chapter, shuttle, station or individual for future reference. This is also advised in the event something gets lost and has to be recovered.

The nominator shall provide postage if they want a copy of the nomination form returned to them by USPS.

The Chief of Awards will send the Region archivist and webmaster a copy of the Award Presentation Agenda with the list of nominees and winners for Region records following the Summit.

## **Section 04 – STARFLEET MARINE AWARDS PROGRAM**

Awards are given for two basic reasons, regardless of the organization. First, they are intended as tangible evidence of recognition for some achievement or service. Second, awards serve as a motivating factor. The SFMC awards program exists for these same reasons. Awards are indicated by ribbons, and worn on Class A uniforms. The Awards Program of the SFMC is not a static concept. Rather it evolves and changes to meet the needs of the organization as a whole. For this reason, it is important to keep in touch with the Deputy Commandant through the chain of command for the latest information on the award standards.

### **Section 04:01 – THE AWARDS PROCEDURE**

To receive an award, you have to be nominated for it by someone. Usually this involves your Unit OIC, ship CO, or fellow Marines. An award nomination is sent up the chain of command to the appropriate authority (minimum Issuing Authority for each award is specified in the next section). If you have met or exceeded the standards for that award, it will be authorized and then awarded to you. All award nominations must be submitted no more than 6 months after the qualifying events. The only awards not affected by this are the Valor and Honor awards, which cover the previous 12 months.

Any person in the Chain of Command for an individual Marine may issue any award to a Marine from their level down when necessary, as long as the person up the Chain of Command has a role related to the award being issued (i.e., COTRACOM could not reasonably issue the Great Barrier Award, but COFORCECOM could as they are in the CoC and related to the role of the designated Issuing Authority). This means that a BDE OIC can issue an award which has an Issuing Authority of the BDE OIC or lower; COFORCECOM can issue any award which has an Issuing Authority listed as being COFORCECOM, BDE OIC, BN OIC, etc.; and the Commandant of the SFMC can issue any award listed in the SFMC Awards Program. Usually, it is not necessary to have an award issued by anyone other than the listed Issuing Authority, however, in the case of a member of a Marine's Chain of Command personally witnessing a qualifying event, having the action reported on a Unit report or in successful appeals, it may become necessary to have awards issued by someone other than the Issuing Authority listed in the Award Descriptions.

#### **Eligibility For Awards**

SFMC awards may normally only be awarded to STARFLEET Marines or STARFLEET Marine units. This means that in order to receive awards, individuals must be SFI members in good standing, and units must be listed as active and reporting for a minimum of three (3) reporting periods. Award nominations must be made within six (6) months of the qualifying event to be considered. Unless otherwise indicated all awards are limited to one award, per Marine, per year. These limits are intended to reinforce and support the link between participation and communication that are essential for a successful fan organization.

### **Section 04:02 – NOMINATIONS**

Remember, although only certain persons can actually authorize each of these awards, they can be nominated by anyone in the Chain of Command. This is one reason why unit reports and good communication are so important. If the Brigade OIC never hears about the things your unit has done, he certainly can't nominate or issue an award.

### **Section 04:03 – MILITARY SERVICE RIBBONS**

At no time may any member of the SFMC wear any award ribbons associated with the real-world military service, on any SFMC uniforms, of any type, regardless of whether that person has earned the right to wear that ribbon otherwise.

### **Section 04:04 – DISPLAY OF RIBBONS**

Each row of ribbons is, at most, three ribbons wide. If the total number of ribbons necessitates a row with less than three, that row is placed at the top and centered. The exception to this rule is when the wearer has 24 or more ribbons they may choose to wear a ribbon bar with four ribbons per row. Silver stars

represent each additional award of the same ribbon, small gold stars represent five additional awards of the same ribbon. Therefore, a Marine who has received three Brigade Service Commendations would wear the appropriate ribbon with two silver stars. A Marine who has received six Academic Excellence Awards would wear the appropriate ribbon and a small gold star. In the event that the Marine achieves ten of the same award a large gold star will replace any other clusters on the ribbon and no more devices will be added to the ribbon.

## **Section 04:05 – AWARD CATEGORIES**

All SFMC awards belong to one of three categories: Achievement, Service, or Training. In order of precedence, all Achievement Ribbons are worn ahead of all Service ribbons, which are worn ahead of all Training ribbons.

## **Section 04:06 – 2<sup>ND</sup> BRIGADE AWARDS**

#### **GREAT BARRIER EXPEDITION**

*Issuing Authority:* Brigade OIC

*Frequency:* As needed (two awards per marine per year maximum)

*SFMC Ribbon Name:* McPherson Ribbon

This award is given to Marines who have undertaken extreme or lengthy travel on behalf of the SFMC. The two important criteria are “extreme or lengthy” and “on behalf of the SFMC.” The former requires a judgment call by the Brigade OIC. A possible standard might be 5 hours travel time, for example. The latter is more exact: Taking a long road trip to attend a convention with the other members of your chapter, for example, does not qualify. Doing so because you are going to be presenting a class or demonstration (as a Marine) would qualify.

*SFMC Ribbon Name:* Brooks Ribbon

This award is authorized to Marines who have made a significant personal impact in a community service effort. This may be cooperative or competitive, and must be done while obviously participating as a STARFLEET Marine. Participation as a marine can be shown by wearing a SFMC uniform, a unit cap or shirt, or by obviously being associated with others who are wearing an SFMC uniform. Marines who are also members of the same fan organization

are not eligible. This award combines and replaces the Organian Service, Wolf 359, Bajoran Campaign, Andorian Campaign, Klingon Service and Romulan Service ribbons.

## **EMBASSY DUTY**

*Issuing Authority:* Brigade OIC

*Frequency:* As needed (two awards per marine per year maximum)

*Ribbon description:* Red and Black

This award is given to marines for participation at a STARFLEET function, such as the annual International Conference or a Regional Summit. The key word here is participation, not attendance.
